## QUESTION 3

Dennis Fong, better known by his online alias Thresh, is an American businessman and retired professional player of the first-person shooter video games Quake and Doom. Known informally as the first professional gamer, Fong noticed a minor inconvenience for which he came up with a solution that is used by even the non serious gamers, while playing games like Fire Temple.

Most people need to use the right hand for the mouse for operating a gun or view, so the left hand is used for controlling the avatar's movement. Right hand is the more dexterous hand for most people, and operating the mouse needs more dexterity. This gave rise to a slight problem which was solved by Thresh. What was the inconvenience and the solution coughed up for it?

# ANSWERS

Using WASD as substitute for arrow keys for movements

ANSWER

X- Big Bang Theory

## QUESTION-8

Song X from the movie Y was banned from playing in theatres and OTT. This is because of copyright infringement filed by a popular Kerala-based band Thaikkudam Bridge. The band alleged that there are unavoidable similarities between X and their song titled Navrasam. Navrasam was a tribute to Kerala's popular art form Kathakali. Though, X is not affiliated with the song Navrasam, yet both have the same theme of culture representation and their music almost resembles each other. ID the song X.

# Big companies when June begins

Apollo 11

## QUESTION-12

The song has given the artist their first Brit award, the equivalent of a Grammy. It has been used in a few television series, of which in the series X, the song has been used to represent the emotional struggles of a character. The artist of the song is said to be selective about giving permission for her songs, but she is a fan of the series, thus the permission. The song's original name had to be changed because it has to be played in religious countries. The artist thought that this idea of changing the title seemed ridiculous as it was a big part of the song's identity.

Identify the song and series X.

# ANSWER

Song- Running up that hill (A deal with god)  
X- Stranger things

## QUESTION-13

This 24 crore 'item' X that played an important role during the 2010 commonwealth games, was first offered to DRDO after the end of the games, the DRDO rejected the gift stating that it had no use of it. At last, it was bought by the Goa government for the Lusofonia Games in November that saw participation of 12 Portuguese-speaking countries. It was sold at a token amount of rs.1 as the Ministry of Youth Affairs and Sports cannot charge anything from a government agency.
